Unlock additional revenue with SpEd Forms Medicaid billing solutions.

Every dollar counts.

With limited budgets and growing demands, Medicaid reimbursements are a key way to bring money back into your district. SpEd Forms takes care of the entire billing process—so you don't have to. We manage claims, handle denials, and stay on top of compliance to help you collect every dollar you're entitled to.

What we offer:

✓ Eligibility & Compliance

We handle monthly Medicaid eligibility checks to ensure your district receives all allowable reimbursements while remaining fully compliant with state and federal requirements.

✓ Claims Management

We manage the full claims process—from submission to tracking and reconciliation—and take care of denials and re-billing to maximize your Medicaid reimbursements.

✓ Provider & Admin Support

Get expert assistance with rate adjustments, customized reporting, and timely Medicaid program updates, keeping your billing process running efficiently and accurately.

✓ Interim Billing Services

When staffing transitions or coverage gaps occur, our short-term billing support ensures your Medicaid claims continue to be processed without interruption, protecting your revenue stream.

✓ Audit Support

Stay prepared and compliant with our expert audit assistance, helping you maintain transparency and avoid costly penalties during audits.

Proven Impact

What one district says about working with SpEd Forms:

"One of the key benefits in working with SpEd Forms staff is the reassurance that our MA billing is processed correctly and in compliance. The team is always available to provide guidance, ensuring that our district can resolve issues quickly, stay up-to-date with any new MA billing procedures, and secure an increase in our revenue."
